

Membership Application

- Professional Member
 \$50/year
 Someone who has their own company or does their own production work. Professional members can vote at meetings, receive website referrals from stlva.com, can be nominated as an officer or member of the board, can have their company included in advertising sponsored by STLVA, can access and post on the website, can receive training discounts, can receive mailings about member activities and meetings, and can review minutes and recordings of minutes they have missed.

- Associate Member
 \$25/year
 Someone who is employed by or married to a professional member, and does not have their own company or do their own production work apart from that company. Associate members have all the same privileges as professional members, except that only one person from a company at a time may be an officer or member of the board.

- Student Member
 \$12/year
 Someone who is enrolled as part or full-time student and does not have their own company or do work as a production company. Student members may be employed by a production company while in school. This is a temporary membership. Student members may not vote, but may attend meetings and activities which are open to all members.
